

Birmingham City Centre Public Realm
invites you to:

Public Realm Information Event
23 November 2022
1pm till 5pm

After receiving feedback from the event held this summer, CPC Civils would like to invite you to meet with us again.

Visit us at:

West Midland Suite

Regus

1 Victoria Square

Birmingham

B1 1BD

With the paving works scheduled to start in January 2023, we'll be sharing details of proposed traffic management, access and phase plans informed by the feedback from businesses in the area.

The session will allow for those affected or interested in the project a chance to understand the arrangements that will be put in place to reduce any disruption, along with an understanding of the timescales for the works proposed.
