Businesses Open As Usual - Signage Locations

As part of our commitment to supporting local businesses during the works, **“Businesses Open As Usual”** signage is being displayed across the area. The signage is intended to reassure customers and visitors that shops, cafés and services remain open and accessible, despite nearby construction activity.

**BUSINESSES
OPEN
AS USUAL**

Traffic flows on Bennetts Hill and Temple Street have become two-way to maintain access while Temple Street is closed off.

**BUSINESSES
OPEN
AS USUAL**

By clearly and consistently reinforcing this message, we aim to encourage continued footfall, reduce uncertainty, and help businesses trade as normally as possible throughout the works.

**The CPC Civils site teams are usually on site
between 6:00am and 4:30pm.**

You'll recognise them by their white hard hats, high-visibility orange clothing and other required PPE.

Alongside carrying out the construction works, the teams are committed to keeping the area safe and accessible for everyone who lives, works in, or visits the area.
