

City Centre Active Travel Connections to Interchange Phase 1

CPC Civils have been awarded the
City Centre Active Travel Connections to Interchange Phase 1 project
by Birmingham City Council.

CPC Civils are delighted to be working with the City Council on this prestigious project.

In this picture taken on Victoria Square, the paving team have almost completed the work to refurbish the steps on the right-hand side of the fountain. Once works on the right-hand side are complete the team will switch across to the left-hand side.
