WORKS TO NEW STREET, TEMPLE STREET, LOWER TEMPLE STREET, BENNETTS HILL, ETHEL STREET, EDEN PLACE, CHAMBERLAIN PASSAGE

INFRASTRUCTURE IMPROVEMENT WORKS TO NEW STREET, TEMPLE STREET, LOWER TEMPLE STREET, BENNETTS HILL, ETHEL STREET, EDEN PLACE, CHAMBERLAIN PASSAGE. CPC CIVILS IS WORKING ON BEHALF OF BIRMINGHAM CITY COUNCIL TO ENHANCE THE CITY CENTRE. WE ARE IMPROVING THE PUBLIC REALM BY INSTALLING NEW GRANITE SURFACES, ALONG WITH INSTALLING NEW AND IMPROVED LIGHTING, DRAINAGE AND STREET FURNITURE. THESE WORKS WILL INVOLVE SMALL TEAMS OF HIGHLY SKILLED OPERATIVES REMOVING THE EXISTING PAVING, UPGRADING THE DRAINAGE SYSTEM AND SUB-BASE AND THEN INSTALLING NEW PAVING ACROSS ALL THESE AREAS.

Temple Street

PROGRESS

- The team have laid the concrete slab upon which the paving to form the footway between Oyster Club and Trailfinders can be installed.
- New paving has been installed across the RCP Car Park entrance (see picture left) and continues to be installed on the neighbouring footway strips.
- The old surface in the Northspring Car Park entrance has been removed and work to prepare the area for new paving installation is ongoing.

PLANNED

- Continue paving installation to form footway between Head of Steam and RCP Car Park and between RCP Car Park and Northspring Car Park.
- Excavate to formation, prepare area and pour concrete slab that will form the surface upon which the new footway between Northspring Car Park and Tesco Express will sit.

New Street (Nando's)

PROGRESS

- Continued installation of new paving to form central carriageway and footway adjacent to Snappy Snaps and Dave's Hot Chicken. (See photograph left).

PLANNED

- Complete outstanding new paving installation works and grout paving in the areas between Snappy Snaps and Daves Hot Chicken and from Ethel Street/New Street junction to Admiral Casino.

New Street (Apple)

PROGRESS

- Poured concrete slab to form foundation upon which new paving will be installed to form footway strip between Mappin & Webb and Starbucks.
- Commenced installation of new paving to form new footway adjacent to Burlington Building (See picture left).

PLANNED

- Complete remaining paving installation to form footway adjacent to Blue Banana, Hotel Chocolat and Starbucks.
- Grout paving and remove footbridges from business doorways.

New Street (Central)

PROGRESS

- The work area was established with Heras fencing installed around the central carriageway.
- Removal of the old central carriageway has begun. (See photograph left).

PLANNED

- Continue excavation of area removing all old material to make way for the new concrete slab.
- Commence stoning installation and any drains and ducting work necessary.

Cannon Street

PROGRESS

- Planning for the installation of the new Hostile Vehicle Mitigation Barrier is well underway.
- Local businesses in the area have received updates and information about the forthcoming works and the proposed work commencement dates.

PLANNED

- The team will establish the working area and install the necessary Heras fencing.
- Commence excavation works.

IMPORTANT NOTICE

Please be advised that the area at the top of Temple Street affected by the recent emergency work by National Grid to resolve a fault on their network, is no longer under the control of CPC Civils.

Any ongoing works, access arrangements, reinstatement activities and associated timescales within that area are being managed by the relevant utility and highway authorities.

CPC Civils remains responsible only for the areas within our current construction works boundary and active control.

National Grid will have a permit displayed on their fencing with a contact number should you have any issue with access due to their works.
